Interim Superintendent

December 6, 2021

Dear Official Associations,

As you are no doubt aware, on August 13, 2021, the Los Angeles Unified School District (District) implemented a policy requiring all contractors who perform services on campus and/or have contact with students to be fully vaccinated against COVID-19 by no later than October 15, 2021. This mandate was later revised to extend the compliance date for full vaccination to November 15, 2021. In order to protect the health and safety of all students and employees and to ensure that all Sports Officials (Officials) are vaccinated with the COVID vaccine of their choice, the following rules shall apply for Officials:

- Officials with one dose of the vaccine by October 15, 2021, may continue be assigned to games in District schools, as long as they receive the 2nd dose by November 15, 2021.
- Officials that have not received at least one dose of the COVID vaccine by October 15th may not be assigned any games within the District.

Vaccination Schedule

Vaccine	1st Dose	2nd Dose
Pfizer	<i>No later than October 15, 2021</i>	<i>No later than November 15, 2021</i>
Moderna	<i>No later than October 15, 2021</i>	<i>No later than November 15, 2021</i>
Johnson & Johnson	<i>No later than October 15, 2021</i>	n/a

We will not collect, or request to see, individual vaccination records. Rather, Official Associations will be required to submit the attached District Vendor COVID Vaccination Certification Form certifying, under penalty of perjury, that every Official who comes onto a District campus or other District site or has contact with District students or staff has been vaccinated.
